

Stay and play better in Mauritius with new Leadbetter Golf Academy at Heritage Golf Club

Golfers holidaying in Mauritius will now be able to stay and play better thanks to the opening of the Indian Ocean's first Leadbetter Golf Academy at Heritage Golf Club, the World Top 100 luxury golf and beach resort.

Founded by David Leadbetter, one of the greatest names in golf and coach to major champions including Sir Nick Faldo, Ernie Els and Lydia Ko, the new Leadbetter Golf Academy offers everyone – from elite players to absolute beginners – an opportunity to improve or learn the game.

The Academy, based at Le Château Golf Course, rated the #1 golf course in the Indian Ocean and venue of the DP World Tour's AfrAsia Mauritius Open, will also offer Leadbetter Kids Golf, enabling children and families to experience world-class golf instruction during their stay.

For golfers traveling to Mauritius, including elite players, groups, and families, we can now offer world class instruction, all year round. With a range of stay-and-play packages, including accommodation in our two five-star beach resorts and luxury villas, we look forward to welcoming all golfers who wish to improve or learn the game.
